**"THERE'LL BE SOME CHANGES MADE"**

OPENER - MIDDLE BREAK – ENDING      Circle

\* For there's a change in the weather; there's a change in the sea

So from now on there'll be a change in me

Left Allemande your corner – Do Sa Do your own

The Boys Star Left in the middle and once around you go

Back home, Turn her by the Right – find the corner girl

Left Allemande and Promenade the world

I've got to have some lovin' before I'm old and and gray

There'll be some changes made

FIGURE

One and Three Separate round one and make a line of four

Right & Left Thru, turn the one you adore

Flutterwheel across – Sweep One Quarter too

Pass to the Center now the Centers Square Thru

Get me Three hands around – Swing that corner girl

Hold her hand and Promenade round the world

I've got to have some lovin' or I'll fade away

There'll be some changes made

TAG Today, there'll be some changes made

\* For there's a change in your squeezing; a change in your kiss

It used to a kick that I sure miss

\* For there's a change in your manner; a change in your style

And here of late you never wear a smile
