"FROSTY THE SNOWMAN

Frosty the snowman was a jolly, happy soul
With a corn-cob pipe and a button nose and two eyes made out of coal
Left Allemande the corner girl – Turn your partner Right

There must have been some magic in that old silk hat they found
For when they placed it on his head, he began to dance around
Frosty the snowman was a fairy-tale they say
He was made of snow but the children know how he came to life one day
