

OPENER - MIDDLE BREAK - CLOSER

Circle left

It's been a blue, blue day, I feel like running away

I feel like running away from it all

You'll do left allemande, turn your partner right

Left allemande and weave the hall

I feel like crying, sighing, what can I do?

Take that lady by the hand, promenade her, too

It's been a blue, blue day, I feel like running away

I feel like running away from the blues

FIGURE

And now the heads promenade halfway round now with that date

Come down the middle and do right & left thru

And now you square thru four, go walking round that floor

And with the outside two go right & left thru

Why don't you rollaway, pass thru, do a U-turn back

Swing that corner lady there then promenade the track

It's been a blue, blue day, I feel like running away

I feel like running away from it all
