OPENER - MIDDLE BREAK Circle left

We're sitting on top of the world  
Just rolling along and singing a song  
Walk around the corner lady, see saw your own  
Men star right go once around  
I just phoned the parson, "hey, Par, get ready to call"  
Left allemande your corner, then promenade that hall  
We're sitting on top of the world  
Just rolling along and singing a song

Well the heads promenade go halfway now  
Come down the middle, pass the ocean, extend

Boy run right, now tag the line and do  
Girls go left, boy go right, do an allemande left for me  
Well you come on back and swing the next and promenade you see
