## “ICE CREAM SODAS”

OPENER - MIDDLE BREAK - CLOSER

All four ladies chain 3/4 around  
Half sashay; circle  
Circle left about halfway round; left allemande  
Weave that ring  
Wind in and out until you meet her  
Swing and promenade, there's nobody sweeter  
You can get most anything you want  
At Alice's Restaurant

FIGURE

Heads promenade halfway round  
Square thru  
Swing thru and then the boy run  
The couples circulate  
Just the girls scoot back, the boy fold  
Swing the corner, promenade you're told  
Ice cream sodas and lollipops  
At Alice's Restaurant
