Opener (Circle Left)

Her eyes, her eyes make the stars look like they're not shining

Her hair, her hair falls perfectly without her trying

Allemande Left – Turn Thru

Left Allemande and Weave the Ring

I know, I know when I compliment her she won't believe me

Swing your own - Promenade around the ring, you see

She's so beautiful

And I tell her everyday

Figure

Heads Promenade her, Halfway around

Come on and Square Thru all the round

Four hands you do then do the Right & Left Thru

Veer Left and Ferris Wheel

Square Thru Three Quarter round then swing

Swing your corner – Promenade around that ring

And every time she asks me "do I look okay?"

You know I say...

Break and Closer (Circle Left)

When I see your face

There's not a thing that I would change

Left Allemande – Turn Thru

Allemande Left and Weave the Ring

And when you smile
The whole world stops and stares for awhile
Cause you're amazing
Just the way you are
