"ALL RIGHT, OKAY"

Opener, Break, Close (Circle Left)

Well all right ... okay
You win ... I'm in love with you
Men Star Right ... one time around
Left Allemande – you Weave round that ring
I'll do anything you say
It's just got to be that way
If I'm gonna be your man
Sweet baby, take me by the hand

Figure

Heads Promenade Halfway around
Walk in Square Thru Four Hands that town
Go all the way, Swing Thru and then
Spin the Top (Go Right & Left Thru and now)
Square Thru Two Hands and go
You Trade By, Swing the corner, Promenade her I cry
I'll do anything you say
It's just got to be that way
