\* Once upon a time there was a tavern  
Where we used to raise a glass or two  
Left Allemande now Do Sa Do your partner  
Allemande Left and Weave the ring  
Those were the days my friend, we thought they'd never end  
We'd sing and dance forever and a day  
We'd live the life we choose; we'd fight and never lose  
Those were the days, oh yes, those were the days

Figure

Four Ladies Chain straight across the ring now  
Head two Flutterwheel and then  
Sweep a Quarter more and you Zoom  
Square Thru Three Hands around my friend  
All Slide Thru – Square Thru Three – that corner Swing  
Swing your corner - Promenade  
We'd live the life we choose; we'd fight and never lose  
Those were the days, oh yes, those were the days

\* Just tonight I stood before the tavern      \* Through the door there came familiar  
Oh, nothing seems the way it used to be      laughter  
I saw your face; I heard you call my name
