“I'M BEGINNING TO SEE THE LIGHT”

Eric Henerlau
109 Crescent Dr
Corte Madera, CA 94925

Opener, Break (Circle Left)

I never cared much for moonlit skies
I never wink back at fireflies
Men Star Right ... one time around
Left Allemande – Weave that ring
I never made love by lantern shine
I never saw rainbows in my wine
But now that the stars are in your eyes
I'm beginning to see the light

Figure

Heads you Square Thru four hands you go
Round that corner do a Do Sa Do
Swing Thru and the Boys you Run Right
Bend the Line go Right & Left Thru
Flutterwheel and then Slide Thru
Swing the corner - Promenade you do
But now that your lips are burning mine
I'm beginning to see the light

Close

Four Ladies Promenade go inside the ring
Get back home and give her a Swing
Join your hands, man, Circle I sing
Left Allemande – Weave that ring
I never went in for afterglow

Or candlelight on the mistletoe
But now that you turn the lamp down low
I'm beginning to see the light

Tag: (Allemande and Swing) I'm beginning to see the light
