“KINGSTON TOWN”

Opener, Break, Closer (Sides Face, Grand Square)

Down the way where the nights are gay
And the sun shines daily on the mountaintop
I took a trip on a sailing ship
And when I reached Jamaica, I made a stop
Four Ladies Promenade around the ring
Swing your man and Promenade again
My heart is down; my head is turning around
I had to meet a little girl in Kingston Town

Figure

Heads Square Thru four hands go
Sides you Rollaway; make a wave you know
Swing Thru tonight and let the Boy Run Right
Pass Thru then you Wheel & Deal and Zoom
New center two Square Thru three hands
Swing the corner; Promenade the land
My heart is down; my head is turning around
I had to meet a little girl in Kingston Town
