“WHEN THE SUN GOES DOWN”

Opener, break, closer (Sides Face, Grand Square)

Sun tan toes tickling the sand
Cold drink chilling in my right hand
Watching you sleep in the evening light
Resting up for a long, long night
Four Ladies Chain that ring
Chain her back, keep that girl Promenade the ring
Cause when the sun sinks down over the water
Everything gets hotter when the sun goes down

Figure

Heads Square Thru four hands around
Do Sa Do that corner lady you found
(why don't you) Swing Thru, Boy you Run
Bend that Line go Right & Left Thru
(come on and) Flutterwheel, straight across
Slide Thru, Swing, Promenade
When the sun sinks down
Everything gets hotter when the sun goes down

Alternate Grand Square lyrics

All day just taking it easy
Laying in a hammock where it's nice and breezy
And sleeping off the night before
Cause when the sun goes down we'll be back for more
