IF WE HOLD ON TOGETHER

Opener, break, closer
(Sides Face, Grand Square)
Don't lose your way with each passing day
You've come so far, don't throw it away
Live believing, dreams are for weaving
Wonders are waiting to start (Allemande Left and Weave)
If we hold on together
I know our dreams will never die
Dreams see us through to forever
Where clouds roll by

Figure

Heads Square Thru go four hands round
You make a Right Hand Star
Heads Star Left go one time around
Do Sa Do the lady you found
You Touch a Quarter, Scoot Back and go
Swing and Promenade her
Dreams see us through to forever
Where clouds roll by

Alternate Grand Square lyrics

Souls in the wind must learn how to bend
Seek out a star, hold on to the end
Valley, mountain, there is a fountain
Washes our tears all away
