MARGARITAVILLE

Opener

(Circle Left) I don't know the reason
I stayed here all season
Boys Star by the Right Hand on around now
Allemande Left and Weave the ring
Some people claim that
There's a woman to blame
But I know
Its my own darn fault

Figure

Heads Square Thru get me four now
Do Sa Do with that corner
Relay the Ducey and you move it on along here we go

All Eight Circulate Two Times around
Swing and whirl; Promenade

Oh, I know

Its my own darn fault

Break & Closer

(Sides Face, Grand Square) Wasting away again in
Margarita Ville
Oh, searching for my
Lost shaker of salt (Allemande Left and Weave the ring)
Some people claim that
There's a woman to blame
But I know
Its my own darn fault
