IF HEAVEN

Opener, Break, Close

(Sides Face, Grand Square) Heaven was an hour it would be twilight
When the fireflies start to dance on the lawn
Suppers on the stove and Mamas laughin'
Everybody's working day is done (Allemande Left and Weave)
Don't cry a tear for me now baby
Comes a time we all must say goodbye
That's what Heavens made of, you know I
Ain't afraid to die

Figure

Heads Touch a Quarter – Boy Run around this girl
You Swing Thru and then
Scoot Back and then Girl you Run around this boy
You Tag the Line go all the way thru (Face Right)
Chain Down the Line, now you Square Thru Three
Swing your corner girl and all Promenade
That's what Heavens made of, you know I
Ain't afraid to die

Break & Closer
