GREEN GRASS OF HOME

Originally Hi Hat 5008

Opener, Break, Close (Sides Face, Grand Square)

The old home town looks the same

As I step down off the train

There to greet me is my Mama

And Papa (Allemande and Weave)

Down the lane, I look and there runs Mary

Hair of gold and lips like cherry

It's good to touch the green, green grass

Of home

Figure

Heads Square Thru - four hand round

Swing Thru and now

Boy Run Right – Tag the Line - Cloverleaf my friend

The Girls Square Thru Three Hands round

Swing your corner man

Allemande Left come back and Promenade...

It's good to touch the green, green grass

Of home

Tag: It's good to touch the green, green grass of home

Alternate lyrics for breaks

The old house is standing

Though the paint is cracked and dry

There's that old oak tree that I used

To play on (Allemande and Weave)

Down the land I'd walk with my sweet Mary
