### OPENER - MIDDLE BREAK - CLOSER

Well the four little ladies chain the ring, turn the girl hear me sing  
Chain the lady right back home you go  
Hey join up hands, make a ring, circle left round I sing  
Allemande the corner, weave that ring  
Engine, Engine number nine, coming down the railroad line  
I know she got on in Baltimore  
Well a hundred and ten miles ain't much distance; it sure do make a  
difference  
I don't think she loves me anymore

### FIGURE

The head two couples touch 1/4, boy run to the right  
Star thru and do the right & left thru  
Two ladies chain and turn 'em there, send them back across I swear  
Dixie style and make an ocean wave, boy trade  
Do a left swing thru, girls run to the left you do  
Take her hand and promenade that ring  
Well a hundred and ten miles ain't much distance; it sure do make a  
difference  
I don't think she loves me anymore
