ALL I EVER NEED IS YOU

Originally Blue Star 1920

Opener, Break, Close (Circle)

Sometimes when I'm down and all alone

I feel just like a child without a home

Boys Star Right – turn this star once around I sing

Allemande Left that corner lady - Weave around the Ring

Some men search for rainbows, I am told

Some men search for silver; some for gold

But, I've found my treasure in your soul, honey

All I ever need is you

Figure

Heads Square Thru and count 'em four

Do Sa Do the corner you adore

Make a Wave – Girls Trade – Swing Thru tonight

Boy Run to the Right and Tag the Line go all the way

You Cloverleaf - the girls Turn Thru

Star Thru and Promenade her too

I have found my treasure in your soul, honey

All I ever need is you
