* Here's a picture that we took in Cincinnati
The time we saw the Big League Baseball game
Here's a picture that we took in Printer's Alley
Down in Nashville when we met "old what's his name"
All Four Ladies Promenade inside the ring there
Swing the boy and Promenade along
And each time we make a memory, I'm reminded
I can picture me with no-one else by you

Figure

Heads Promenade Halfway around there
The Sides Square Thru and get to Four
Four hands and then everybody Square Thru go Three
Three hands and now Trade By
Touch one quarter here – Scoot Back – Scoot Back again
Star Thru and Promenade that way
And each time we make a memory, I'm reminded
I can picture me with no-one else by you

* (Circle Left) Here's a picture that we took at graduation

I'm so glad that you talked me out of quitting school

* (Sides Face, Grand Square) Here's a pose of you that looks so sweet and lovely

That's the way I pictured you right from the start

Here's a picture of you being close beside me

That's the picture that I carry in my heart
