SECRET LOVE

Originally Petticoat Patter 126

Opener, Break, and Close (Circle Left)

* Once I had a secret love
Who lived within this heart of me
Left Allemande and a Do Sa Do
Left Allemande – Weave around the ring
Now I shout it from the highest hill
Even to the golden daffodil
Now my hearts an open door
And my secret loves no secret ,anymore

Figure

Heads Promenade Halfway and then
Down the middle – Pass the Ocean - Extend
Swing Thru - Boys Run Right
Bend the Line, a Right & Left Thru and turn tonight
Flutterwheel around and all Slide Thru
Swing the corner girl and Promenade her too
Now my hearts an open door
And my secret loves no secret, anymore

* So I told a friendly star
The way that dreamers often do
