WALTZ ACROSS TEXAS

Originally Blue Ribbon 267

KEN BOWER
Palm Desert, CA

Opener, Break, Closer

Walk Around that corner lady; See Saw your pet
Hey, join up hands and Circle Left you bet
Men Star by the Right, roll it one time around
Left Allemande – Weave that ring
I'd waltz across Texas with you in my arms
Swing with that girl, you Promenade
When you look at me with those stars in your eyes
I'll waltz across Texas with you

Figure

Head two couples Promenade go halfway in time
Side Couples Star Thru and then Pass Thru
You Star Thru – go Right & Left Thru
Go forward eight and back you float (Load the Boat)
I'd waltz across Texas with you in my arms
Swing the corner - Promenade
And like a story-book ending, I'm lost in your charms
I'll waltz across Texas with you
