LOOK FOR THE SILVER LINING

Originally Blue Star 2446

Opener, middle break, closer

Walk Around the corner girl – See Saw partner
Join your hands, Circle Left around today
The Men Star Right one time tonight
Allemande corner girl – Weave the ring
A heart full of joy and gladness
Will always banish sorrow and strife
Always look for the silver lining
And try to find the sunny side of life

Figure

Heads Square Thru four hands round now
You make a Right Hand Star and turn it round
The Heads Star Left inside you go
Meet that corner girl and do a Do Sa Do
Veer Left and then you Chain Down the Line
Turn Halfway and Promenade her too
Always look for the silver lining
And try to find the sunny side of life
