SINGING THE COWBOY BLUES

Originally Hi Hat 5251

DAVE GUILLE
Cheyenne, WY

Opener and Close (Circle Left)

There's a lonesome feeling that comes over me
When I hear that highway moan
Left Allemande your corner – Turn your partner Right
Left Allemande and Weave let's go
* * I roam from town-to-town out on the interstate
Swing your lady round and Promenade
I need my woman's love but she's so far away
I'm singing the cowboy blues

Figure

Heads Square Thru and count 'em four hands you know
When you're there and now Swing Thru
Spin the Top and do the Right & Left Thru
Then Touch a Quarter and the Girls will Run
Swing that corner lady around you know
You Promenade around that old square
I'm shoot for the heart – I'm looking in her eyes
I'm singing the cowboy blues

Break

Four Ladies Promenade one time around
Get back and Swing you man
Join hands and Circle Left go walkin' round that old ring
