Opener, Break, Close (Sides Face, Grand Square)

Did you ever lie and listen to the rainfall
Did you ever own a homemade apple pie?
Did you ever watch a child while he was praying?
Just don't let the good life pass you by
Left Allemande and Weave around that ring now
In and out around and Promenade so fine
Did you ever take the time to help a neighbor?
Just don't let the good life pass you by

Figure

Heads Square Thru and get me four now
You make a Right Hand Star and keep in time
The Heads Star Left – on around today
Meet the Sides – Right & Left Thru and then...
Rollaway – Pass Thru – Trade By and Swing now
Swing that girl around, you Promenade so fine
Look my friend there's happiness in living
Just don't let the good life pass you by

Alternate Grand Square lyrics

Did you ever hold a hand to stop it's trembling?
Did you ever watch the sun desert the sky?
Did you ever hold a child while she was sleeping?

Just don't let the good life pass you by

Did you ever see the funny side of dancing?

Did you turn around and knew not why

Did you ever goof a square and blame your corner
