Opener, Break, Closer (Circle Left)

Well, it was six o'clock yesterday morning
When my sweet baby packed up to leave
Allemande That Corner – Turn Partner Right
Do an Allemande Left and Weave the Ring
I'm going up on Heartbreak Mountain
Yeah, I'm going up to Heartbreak Hill (Swing and Promenade)
I'm going up to Heartbreak Mountain
Cause I ain't got the will to live

Figure

Heads Square Thru and get me four hands you know
All the way around – do a Do Sa Do
Make an Ocean Wave – Swing Thru
Spin your Top – Do a Right & Left Thru
Flutterwheel and then Sweep one Quarter more
Swing this girl and Promenade
I'm going up to Heartbreak Mountain
Cause I ain't got the will to live

Tag: Cause I lost my will to live
