Opener

Four Ladies Chain go cross the ring  
You Rollaway and Circle Left, I sing  
Four Ladies Rollaway, Circle Left around that way  
Left Allemande that corner - Weave the Ring  
Wind and weave; weave and wind 'til you meet that girl of mine  
Take her hand and all will Promenade  
And greater is the one living inside of me  
Than the one who is living in the world

Figure

Heads Couples Reverse Flutterwheel and then (keep this girl)  
Promenade outside Halfway and now  
Come down the middle – Pass the Ocean here (Girls Trade)

Scoot Back and go, Scoot Back you know  
Swing the corner girl around and Promenade  
And greater is the one living inside of me  
Than the one who is living in the world
