“HOW ‘BOUT YOU”

Opener, Break, Closer (Circle Left)

Well, I know where I come from
How ‘bout you?
Men Star Right tonight
Allemande Left and Weave the Ring
These scars on my knuckles match the scuffs on
These cowboy boots
And there’s a whole lot more like me
How ‘bout you?

Figure

Heads Square Thru its four
Do Sa Do make a wave
Swing Thru today, Boys you Trade
Boys Run – Bend the Line
Square Thru Three-Quarters
Swing and you Promenade
* I punch a clock tryin’ to make it to the top
* How ‘bout you

Break, Close (Sides Face, Grand Square)

How ‘bout you, do you feel the way
I do
To tell the truth, I think we’re
The chosen few (Allemande Left and Weave the Ring)
But that’s just me
How ‘bout you

Tag: That’s just me, how ‘bout you?

* I might just stay all night long
* How ‘bout you
