“WHEN THE SUN GOES DOWN”

Opener (Circle Left)

Sun tan toes ticklin' the sand
Cold drink chillin' in my right hand
Men Star Right in the evening light
Left Allemande back and Weave the Ring
When the sun goes down we'll be groovin'
Swing and whirl and Promenade alright
When the sun sinks down over the water
Everything gets hotter when the sun goes down

Figure

Heads Square Thru travel four hands and go
That corner girl and a Do Sa Do
You Touch a Quarter all Scoot Back and now
Boy Run around the girl – Pass the Ocean here
Girls you Trade – Swing Thru and now
Swing that girl you Promenade somehow
When the sun sinks down over the water
Everything gets hotter when the sun goes down

Break

Four Ladies Chain and takin' it easy
You Chain her back where it's nice and breezy
Join hands – up to the middle with a shimmy and shake
Sides Face, Grand Square
(music)

Close

Four Ladies Chain you turn that girl
You Rollaway and Circle round that world
Four Ladies Rollaway and Circle my friend
Left Allemande back and Weave the Ring
When the sun goes down we'll be groovin'
