Opener, Break, Close (Join Hands - Circle Left)

\* If you leave me, I won't miss you

And I won't ever take you back

Do an Allemande Left that corner, come and Docey partner

Do an Allemande Left that corner girl and Weave around like that

I've got some ocean front property in Arizona

Swing a little girl and Promenade for me

I've got some ocean front property in Arizona

If you'll buy that I'll throw the Golden Gate in free

### Figure

Head couples Square Thru four hands around now

With the Sides make a Right Hand Star

The Heads Star by the Left roll it one time around now

To the corner girl Touch One Quarter

Scoot Back and then that lovely lady Swing

Take and little girl and Promenade the ring

I've got some ocean front property in Arizona

If you'll buy that I'll throw the Golden Gate in free

### *Alternate lyrics*

\* *I don't worship the ground you walk on*

*I never have and that's a fact*
